Re: Ex Parte Communication
WT Docket No. 05-7

Dear Madame Secretary:

We are counsel to Pappas Southern California License LLC ("PSCL"). This is to report that Peter Pappas, Executive Vice President of PSCL for Legal and Governmental Affairs, and the undersigned, as counsel to PSCL, met today with Fred Campbell, Legal Advisor to Chairman Martin, regarding the above-referenced docket. In addition to reviewing the matters that are addressed in PSCL's Comments in the proceeding (filed March 10, 2005) and PSCL's Reply Comments in the proceeding (filed March 25, 2005), there were discussed matters pertaining to the requirements of the Administrative Procedures Act and related concerns, as well as equitable arguments relative to the Commission's policies against allowing parties, such as QUALCOMM, Incorporated, to reap additional economic benefits from the use of spectrum for which they successfully bid at auction, based upon subsequent changes in circumstances of their own making.

Kindly direct any questions regarding this matter to PSCL's undersigned counsel.

Very truly yours,

John Griffith Johnson, Jr.
of PAUL, HASTINGS, JANOFSKY & WALKER, LLP
